

3 EASY STEPS

TO A SAFE + COZY + EFFICIENT HOME

1

GET A HOME ENERGY ASSESSMENT

This is your gateway to using less energy. A \$400+ value for only \$100*

- Safety Tests
- Blower Door Analysis
- Infrared Imaging
- Quick Fix Energy Installs
- Custom Report with Recommended Improvements
- U.S. Department of Energy Home Energy Score

2

GET ADVICE & GET IT DONE

Our energy advisors can discuss your assessment report and help you implement projects that fit your budget.

We can help with:

- Best Practices
- Finding Contractors
- Finding Financing
- Estimating Your Savings

3

APPLY FOR REBATES

Energy Smart at Walking Mountains offers cashback rebates, and we can help you find incentives from utilities; see rebate list on reverse side.

Sign Up today! Visit EnergySmartColorado.com

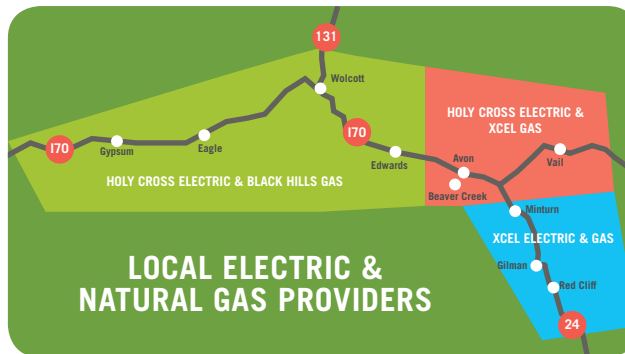

Infrared camera identifying air leakage.

* Additional cost for homes over 3,000 square feet.

YOUR LOCAL ENERGY EFFICIENCY PARTNERS

REBATES ARE CONTINGENT UPON ELIGIBILITY AND CRITERIA. TO LEARN MORE, CALL OUR ENERGY ADVISERS AT WALKING MOUNTAINS SCIENCE CENTER: 970-328-8777.

	EFFICIENCY MEASURE	ENERGY SMART AT WALKING MOUNTAINS**	HOLY CROSS ENERGY (ELECTRIC)	BLACK HILLS ENERGY (GAS)	XCEL ENERGY***
HOME ENVELOPE*	Air Sealing (Comprehensive)	50% up to \$500; whole house; min 10% air leakage reduction	30% up to \$400 (elect. heat); min 10% air leakage reduction; 25%+ reduction additional \$100	70% up to \$900*	60% up to \$350; min 20% air leakage reduction
	Exterior Wall Insulation	50% up to \$500; min R-19	30% up to \$700 (elect. heat); min R-13	\$0.50/sq ft up to \$850; min R-13	30% up to \$600
	Attic Insulation	50% up to \$500; min R-49	30% up to \$300 (elect. heat); min R-49		30% up to \$600
	Foundation/Basement Insulation	50% up to \$500; min R-19	30% up to \$300 (elect. heat); min R-15	\$0.50/sq ft up to \$250; min R-15	
	Condition Crawlspace	50% up to \$500; min R-19	30% up to \$300 (elect. heat); min R-30	Rim and Band Joist Insulation: \$0.25/sq ft up to \$250; min R-15	
	Windows	50% up to \$500; whole house; U factor of 0.28 or lower	\$2/sq ft up to \$600 (elect. heat); U factor of 0.28 or lower		
HEATING & COOLING	Programmable Thermostat	50% up to \$125	Up to 50%; \$20 ea gas heat (limit 2); \$50 ea elect. heat (limit 4)	Up to \$100	
	Furnace/Boiler	50% up to \$500; min 0.95 AFUE (Boiler: min 0.92 AFUE)		\$250 for min 0.94 AFUE; \$350 for min 0.96 AFUE	\$300; min 0.95 AFUE; must be on qualifying list; \$100 for ECM
	Ductless Heat-Pump		\$800; must be on qualifying list; limit 2		\$300 per heating ton
	Evaporative Cooler (Swamp Cooler)		Up to \$200; must be on qualifying list		Up to \$1,200 (elect. customer); must be on qualifying list
HOT WATER	Tankless Water Heater	50% up to \$500; min 0.82 EF		\$400 for min 0.90 EF	\$100 for min 0.90 EF (gas only); must be on qualifying list
	Solar Thermal	50% up to \$500		\$150 for min 0.67 EF	
	Standard Tank Water Heater (Gas)	50% up to \$500; Energy STAR		\$150 for min 0.67 EF	\$70 for min 0.67 EF; must be on qualifying list
	Heat Pump Water Heater (Electric)	50% up to \$500; Energy STAR	30% up to \$450; Energy STAR		\$450 (elect. customer); must be on qualifying list
ELECTRICITY	LED Lighting	50% up to \$500; Energy STAR	50% up to \$5/bulb; lifetime max \$250 per account		
	Heat Tape Controls		50% up to \$100/timer		
	Energy STAR Refrigerator	50% up to \$100	\$50; limit 2; must recycle 15+ yr old working unit		\$50 (elect. customer); limit 2; must recycle working 10-30 cubic ft unit
	Solar Livestock Water Tank		50% up to \$250 (elect.); Energy STAR		
OTHER	Solar PV	50% up to \$500	0-6kW paid at \$750/kW; 6-12kW paid at \$500/kW; 12-15kW paid at \$200/kW		Solar Rewards Program
	Radon Mitigation	50% up to \$500; requires pre/post radon level testing			

Rebates are as of January 2018.

*Pre and Post Blower Door tests required for Home Envelope rebates. Comprehensive air sealing often required for insulation rebates.

**For Energy Smart rebates: homeowners are eligible for up to \$1,000/year (\$500 for efficiency + \$500 for solar PV or radon mitigation), not to exceed 50% of project cost when combined with utility rebates; Energy Smart home energy assessment is required.

***Xcel participating contractor may be required.

All rebates are subject to change. Contact Energy Smart Colorado at Walking Mountains Science Center at (970) 328-8777 or consult your utility's website for the most up to date rebates.
