

## Walking Mountains Science Center Day Camps Packing List

Note: Be sure to label all items with your camper's name! This will help us return any lost items.

- Comfortable clothes for the day. Campers should arrive in clothing appropriate for spending the day outside. Campers often get dirty, so we recommend clothing that is easy to wash and that can get dirty.
- Sturdy closed-toed shoes. Tennis shoe or hiking shoes will work just fine. **Campers with open-toed shoes will not be permitted to participate.**
- Comfortable backpack. Campers will be responsible for carrying their own backpacks throughout the day. The backpack should be big enough to hold all of the items below.
  - Extra socks
  - Water bottle. At least 1 pint for Kindergarten-2<sup>nd</sup>. At least 1 quart for 3<sup>rd</sup> graders and above.
  - Rain jacket (avoid plastic ponchos if possible)
  - Fleece/ warm layer. This is often used in the mornings or during afternoon storms.
  - Lunch and Morning Snack. We will provide a snack each afternoon.
  - Sun hat (baseball cap, visor, etc.)
  - Sunscreen (SPF 30 or greater) (Instructors will provide sunscreen too.)
  - Sunglasses

### Optional Items:

- Compass
- Watch
- Camera
- Binoculars
- Insect repellent (Instructors will carry insect repellent).

### Items NOT to bring:

- Cell phones\* Campers are permitted to bring their phones to use as a camera. Phones cannot be used for games and texting during the field day.
- I-pods/I-pads/tablets

- Toys/ Stuffed animals
- Money
- Jewelry (small earrings are permitted.)
