

Day Camp Packing List

Be sure to label all items with your camper's name! This will help us return any lost items. We encourage adults to pack with their campers to help campers gain responsibility and have an awareness of where their belongings are.

Necessary Items:

- **A facemask** that has been washed at home each day before coming to camp.
- **Closed-toed shoes** that are comfortable for walking in.
- **Comfortable clothes** for spending the day hiking outside and getting dirty.
- **A comfortable backpack** that your camper will be responsible for carrying around on their back throughout the day and contains the following items:
 - **An extra pair of socks** (in case the ones they are wearing get wet)
 - **Water bottle** (at least 16 oz for Kindergarten-2nd graders, at least 32 oz for 3rd grade and up)
 - **Rain jacket** (avoid plastic ponchos if possible)
 - **Fleece/Warm layer** (this is often used in the morning or during afternoon storms)
 - **Lunch and a morning and afternoon snack** (lunch boxes must be disinfected at home each day before coming to camp)
 - **Sun protection** sun hat, sunscreen, sunglasses, chapstick
 - ***Medication** needs to be in its original packaging. Medication will be collected by the instructors on the first day. Campers cannot carry their own medication. The exception is inhalers and epi-pens as determined by guardians.

Optional Items:

- Craft Kit (we will be providing craft kits to every camper to avoid using shared materials, but if you would feel more comfortable packing your own craft supplies for your camper, you are welcome to do so).
- Insect repellent
- Camera
- Binoculars
- Watch

Items **NOT** to bring:

- Electronic Devices (to avoid them getting broken, being a distraction, and because we want to disconnect)
- Pocket Knives
- Jewelry (small earrings are fine)

If you have any additional questions or concerns, please contact Cassy Brown, Youth Programs Coordinator, at (970) 827-9725 ext. 114.
