

## Overnight Residential Camp Packing List

Be sure to label all items with your camper's name! This will help us return any lost items. We encourage adults to pack with their campers to help campers gain responsibility and have an awareness of where their belongings are.

Make sure that on the first day of camp your camper wears **closed-toed shoes**, that are comfortable for walking in, **a facemask** that they can wear over their nose, **comfortable clothes** for spending the day hiking outside and getting dirty, and packs in **two separate bags**.

The first bag should be a **daytime hiking backpack** campers can carry around with them containing the following items:

- **An extra pair of socks** (in case the socks they are wearing get wet)
- **A Full Water bottle** (at least 32 oz)
- **Rain jacket** (avoid plastic ponchos if possible)
- **Fleece/Warm layer** (this is often used in the morning or during afternoon storms)
- **Lunch and a morning snack for the first day** (we will provide all other food for the trip)
- **Sun protection:** sun hat, sunscreen, sunglasses, chapstick
- **\*Medication** needs to be in its original packaging. Medication will be collected by the instructors on the first day. Campers cannot carry their own medication. The exception is inhalers and epi-pens as determined by guardians.

The second bag should be an **overnight bag** with:

- **Sleeping bag** (there are sleeping pads/mattresses at the huts)
- **Pillowcase** (pillows are at huts already)
- **Toiletries:** toothbrush and toothpaste
- **Headlamp or flashlight**
- **Warm hat** for cold nights and mornings
- **Warm jacket or sweatshirt** for cold nights and mornings
- **Extra socks**
- **1 Pair of Long Pants**
- **Two Pairs of Shorts**
- **Two T-Shirts**
- **2-4 Extra Facemasks**
- **Underwear**
- **Slippers/shoes** for wearing inside of the hut
- **Pajamas**

Optional Items:

- Craft Kit (we will be providing craft kits to every camper to avoid using shared materials, but if you would feel more comfortable packing your own craft supplies for your camper, you are welcome to do so).
- Bug Spray
- Reading Book
- Cards/Quiet Indoor Games
- Camera
- Field Guides
- Watch
- Binoculars
- Small stuffed animal
- Colored Pencils and Sketchbook

Items **NOT** to Bring:

- Any Electronic Devices (to avoid them getting broken, being a distraction, and because we want to disconnect)
- Pocket Knives
- Jewelry (small earrings are fine)

**Additional Information:**

- There are no showers or baths at the huts, so students do not need any items for bathing.
- Please be prepared to check in with your camper's instructors and sign the **10<sup>th</sup> Mountain Hut Waiver/Photo Release** when dropping your camper off on Monday morning.
- Hut trips are 3-days and 2-nights, Monday - Wednesday. Drop off is between 8:30-9:00 am on Monday, and for pick up on Wednesday, join us to watch the watermelon picnic presentations which start promptly at 3:30 pm. Drop off and pick up are at Walking Mountains Science Center in Avon.
- In accordance with Colorado State Law, if your camper is under 8 years old or under 40 lbs they will need to bring a **car seat or booster seat** to camp.

**If you have any additional questions or concerns, please contact Cassy Brown, Youth Programs Coordinator, at (970) 827-9725 ext. 114.**
