

Youth Unstoppable: What's Next?

Learn more about the film by visiting the official websites here:

[Youth Unstoppable](#)

How to Take Action:

1. **Get involved in youth-led climate action:** Youth Unstoppable tells the story of how powerful youth-led climate action be. There are many different movements to learn more about, and plenty of ways to get involved. Here are a couple of organizations to start with:
 - a. [Sunrise Movement](#)
 - b. [Fridays For Future](#)
2. **Think Globally Act Locally:** While the climate requires work done globally, it is important to start at home. There are actions that we can all take, wherever we are, and the more people doing the work the better. Joining a climate action group is a great way to join forces with folks doing local climate work. Check out the Climate Reality Project's Eagle County chapter: [Join Your Local Climate Reality Chapter](#).
3. **Calculate your Carbon Footprint:** You can't change what you don't know. By estimating your carbon footprint you can identify opportunities in your own life to reduce your impact: [United Nations Carbon Footprint Calculator](#)
4. **Keep Learning:** Attend the Youth4Climate live series and keep learning. The virtual series highlights the world's unstoppable youth driving climate action. Existing sessions are available for viewing, with additional sessions coming soon: [Youth4Climate Live Homepage](#)
