

## Day Camp Packing List

Be sure to label all items with your camper's name! This will help us return any lost items. We encourage adults to pack with their campers to help campers gain responsibility and have an awareness of where their belongings are.

### Necessary Items:

- **Closed-toed shoes** that are comfortable for walking in.
- **Comfortable clothes** for spending the day hiking outside and getting dirty.
- **Booster seat or car seat** if your camper is under 8 years old or under 40 lbs. (Earth Explorers programs stay on campus and do not need car seats)
- **A comfortable backpack** that your camper will be responsible for carrying around on their back throughout the day and contains the following items:
  - **An extra pair of socks** (in case the ones they are wearing get wet)
  - **Water bottle** (at least 16 oz for Kindergarten-2<sup>nd</sup> graders, at least 32 oz for 3<sup>rd</sup> grade and up)
  - **Rain jacket** (avoid plastic ponchos if possible)
  - **Fleece/Warm layer** (this is often used in the morning or during afternoon storms)
  - **Lunch and a morning snack** (we will provide a snack each afternoon)
  - **Sun protection:** sun hat, sunscreen, sunglasses, chapstick
  - **\*Medication** needs to be in its original packaging. Medication will be collected by the instructors on the first day. Campers cannot carry their own medication. The exception is inhalers and epi-pens as determined by guardians.

### Optional Items:

- Insect repellent
- Camera
- Binoculars
- Compass
- Watch

### Items **NOT** to bring:

- Electronic Devices (to avoid them getting broken, being a distraction, and because we want to disconnect)
- Pocket Knives
- Jewelry (small earrings are fine)

**If you have any additional questions or concerns, please contact Cassy Brown, Youth Programs Coordinator, at (970) 827-9725 ext. 114.**
