Squirrel**

**Ground squirrels dig and hide
their food in the ground to eat
later.**

**The next animal to
guess is...**

Clue 1

Clue 2

Clue 3

Guess who!

Coyote

**Coyotes normally
hunt alone.**

**The next animal to
guess is...**

A close-up photograph of dark brown hair with a fine, wavy texture. The hair is densely packed and shows some lighter, golden-brown highlights. In the upper right corner, the text "Clue 1" is written in a white, stylized, serif font.

Clue 1

A close-up, full-frame photograph of a dense field of tall, green grass. The blades are long, thin, and arching, creating a complex, textured pattern of green. The lighting is even, highlighting the vibrant green color of the foliage.

Clue 2

Clue 3

Guess who!

moose

**Moose can swim and
are able to dive nearly
20 feet.**

**The next animal to
guess is...**

Clue 1

Clue 2

Clue 3

Guess who!

Porcupine

**Porcupines cannot
shoot their quills.**

**The next animal to
guess is...**

**The next one
is a little
tricky!**

A close-up photograph of a fish's scales, showing a pattern of yellow and red spots. The scales are arranged in a regular, overlapping pattern. The background is a solid blue color.

Clue 1

Clue 2

Clue 3

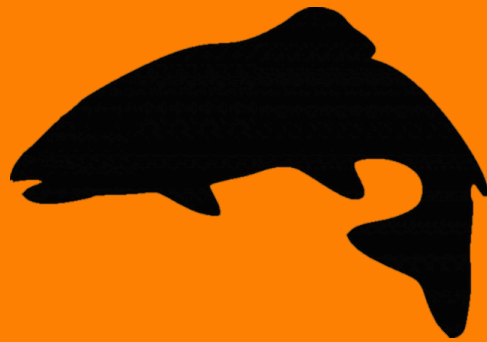

Guess who!

A detailed underwater photograph of a rainbow trout swimming in a clear stream. The fish is positioned in the center-left of the frame, facing right with its mouth slightly open. It has a silvery body covered in numerous dark spots, a pinkish-red belly, and a small, pointed dorsal fin. The background features large, moss-covered rocks and a rocky stream bed with small pebbles. Sunlight filters through the water, creating a dappled light effect. The word "Trout" is written in a stylized orange font on the right side of the image.

Trout

**Rainbow trout can be
found on every continent
except Antarctica.**

**Thanks for
playing!**
